A Guide To Project Management
Project Management is a large field, encompassing the formal discipline where certified project managers are trained in formal processes, and the looser definition of simply managing projects. To wrap our arms around this topic, it’s important to step back in time to the beginnings of projects themselves.

The Ultimate Guide to Project Management - ProjectManager.com
Welcome to the Project Management Guide by Wrike. Project management can be defined as the actual process of creating, organizing, and executing a plan in order to achieve business objectives. It’s actually a vast subject covering a wide variety of topics. Here at Wrike, we’re ardent about project management because it’s what our software was...
